## Current On-Going Projects:

### Broadway Streetscape Project 2023

We are currently hard at work behind the scenes with SGA | NW to invigorate and improve Broadway St.

**LET'S WORK TOGETHER TO TURN THIS...**

BROADWAY STREET IMPROVEMENTS

# OVERVIEW

The Myrtle Beach Downtown Alliance tasked SGA | NW, a GF Design Company, with finding creative ways to invigorate and improve Broadway St without significantly impacting the existing road, sidewalk, and infrastructure. Through extensive research and collaboration, we've identified several initiatives that we believe would provide a sense of ownership, identity, and an immediate positive impact on the street.
